The secretary to Government
of Mysore Income Department.

Sir,

I have the honor to submit herewith for sanction an Estimate for repairing the main Temple of Sri Channa Kesavaswami at Belur. The Temple was reported to require thorough repairs and the matter also formed the subject of discussion before the Mysore Representative Assembly of the year before last. The Assista-

Engineer of Belgaum was thereupon
requested to examine the whole
building and to have an esti-
mate, but Rao Mahadeo Shastry
informed this office that he
had no time to inspect the whole
building just before the last
Dassara and furnished the esti-
mate in question for Rs 1702 for
repairing only the main Temple.
I beg you will kindly accord
Sanction to the same. The question
of repairing the subordinate Temples &c
will be duly considered after
the present repairs are completed,
as there are no funds suffi-
cient to meet the whole cost
just now. The outlay may be
met from Rs 1861. 13. 8 now
standing in favor of the Institution

Instruction as per accompanying Treasury certificate dated 28th ult. attached, under the heads "Surplus" and "Management".

The memorandum between ending with the Treasury officer's No 2896 dated 28th Feb. are also forwarded herewith for reference and return.

Early sanction is necessary as on my recent visit I was informed that the leakage is very close to where the Imola Swamp is — unsafely close.

I have the honor to be
